What age is it for?

Meet Father Christmas at Hamleys Cardiff suits ages 2-8 years.

How many children are allowed per session?

A maximum of 14 children per session.

Are parents allowed to watch?

Yes, however, we can only allow strictly **one adult per child** in the party room at a time. Additional adults will be granted entry but we will insist that only **one adult per child** is in the room at any one time. This is due to space restrictions. If more than one adult per child wishes to attend they must swap in and out of the room. This will allow everyone attending to be involved in the event with their child. This also ensures that every child has space to enjoy an extra-special Christmas experience.

What does this event include?

What happens if my child has allergies/dietary requirements? If your child has allergies or special dietary requirements please make a note on your booking form and we will make the appropriate arrangements where possible. It is the responsibility of each supervising adult to ensure that their child selects sweets suitable for their dietary requirements.
